

## **Judas and Jezebel**

Did you hear the news today?  
Judas married Jezebel.  
It was not announced with trumpet calls  
or eardrum-rupturing decibels.

Did you see her walk the aisle  
with Cleopatra eyes?  
Are they the eyes of piercing truth?  
Or demons in disguise?

Did you know I loved her once?  
But somehow I was framed.  
'Depart from me, I know you not,'  
she callously exclaimed.
